We invite you to participate in this race by walking, running, donating or volunteering.

Wichita Area Sexual Assault Center has been serving Sedgwick County since 1974 and is the only sexual assault victim service provider to offer a 24-hour response. Victim advocates are trained to support sexual assault survivors through the aftermath of sexual violence of any kind.

## What is ICT SOS?

ICT SOS is a Wichita-based organization that acts as a liaison between specific local professional organizations who work with trafficked youth and the Wichita volunteers who seek ways to get involved and to find solutions! By connecting local agencies with volunteers and resources, we help facilitate their missions.

The issue of sexual exploitation is a tender subject and members of these agencies are professionals who are trained to deal with the situations and needs of this under-served population.

There is rising desire in the Wichita community to contribute to the solution. ICT SOS is the go-to source for both the agencies and the volunteers as needs arise and the desire grows to become involved.
